# WHAT IS THE CHARLES GALLO DRAIN GUN?

# FEATURES AND BENEFITS OF THE CHARLES GALLO DRAIN GUN

**T**he Charles Gallo Drain Gun is a lightweight (3 oz.) portable tool designed to blow out condensate drain lines instantly. Simply insert a Swoosh CO<sub>2</sub> cartridge into the Charles Gallo Drain Gun and with a press of the trigger — **SWOOSH** — 800 psi of oil free food grade air clears the line.

## INSTRUCTIONS:

- Unscrew cup and insert cartridge with the narrow end up.
- Without depressing the trigger, screw the cup slowly into the head until the cartridge contacts the puncture pin.
- Quickly and firmly screw the unit together to puncture and seal the cartridge in the same motion. Note: not completely screwing the unit together may result in escaping gas.
- Release the red safety catch.
- Depress the lever to discharge the Swoosh CO<sub>2</sub> cartridge. For condensate drains, a quick and full discharge is best.

Use genuine Swoosh CO<sub>2</sub> cartridges with the Charles Gallo Drain Gun.

## SMALL & LIGHTWEIGHT

The Charles Gallo Drain Gun packs cleaning power into a small, lightweight package. This prevents the need for carrying heavy air or nitrogen tanks.

## AIR POWER

The Charles Gallo Drain Gun uses CO<sub>2</sub>, eliminating the mess caused by water back flushing drain lines.

## ENVIRONMENTALLY FRIENDLY

The Charles Gallo Drain Gun uses carbon dioxide (CO<sub>2</sub>), a common component of air, and is totally safe for use in the environment. The Charles Gallo Drain Gun is a perfect alternative to the environmentally unfriendly practice of using refrigerant to clean the drain line.

## FLEXIBLE HOSE ASSEMBLY

The flexible hose assembly enables you to maneuver through cabinets, coils, and hard to reach drains.

## ADAPTER KIT

An adapter kit is available to allow for use on oil burner lines and tighter areas with a 90° fitting.

*Three adapter fittings (shown at right) are available for use with the Charles Gallo Drain Gun. These fittings increase the versatility of the innovative Charles Gallo Drain Gun and are available from your distributor. Specify catalog number GG-1A when requesting the fitting kit.*

**90° FITTING FOR TIGHT AREAS**

**FITTING FOR OIL BURNER LINES**

**FITTING FOR LARGER DRAINS**

*The Charles Gallo Drain Gun is for use with condensate drain and oil burner lines only.*
